PART TWO: Student Agreement to the School Philosophy of Competitive Events

Hamilton SE High School expects its students to have such attributes as dedication, self-sacrifice, and the sincere desire to be the best competitors possible. Student competitors should have pride, show character, and build tradition. Students should conduct themselves in a manner, which sets an EXAMPLE for younger people in our community. They should have a thorough understanding of the rules, regulations, requirements, and standards, which make up our program. Participation in these competitions as an HSE royal is a privilege. You are a member of a team and are EXPECTED to attend ALL practices and meets for the duration of the event as your teammates depend on you.

The student competitor must not bring discredit upon the school or a disruptive influence on the discipline, good order, morale, or educational environment of the school. It is expected that good sportsmanship and high character will be exhibited at all times.

I have read and agree to the Hamilton SE High School Philosophy of Competitive Events.
