Concessions income will likely double the budgeted number of \$100,000. We are at \$184,743 right now.

\$7,500 spent out of budgeted \$9,000 for staff appreciation. \$3,240 from Cheddar up donations.

Nothing spent for Staff Development. Will need a new refrigerator for baseball.

Band has not yet bought the items so we cannot give them the money yet but would like to get it off our books by June.

Paid royal rumble \$3,000 Nothing done with touch screen yet.

\$84.00 has been spent on big head for the retirees

### **Principal's Report – Ms. Ulmer**

Teacher appreciation week was unbelievable! Everyone really enjoyed the food and gifts.

Ms. Ulmer gave each of us a gift card for the Fan Stand in appreciation for what we done for the school.

Senior bike ride was today and went smooth. Senior breakfast was good.

Charron: We budgeted \$3,500 for Staff Development and have not used it yet. Ms. Ulmer: She has a request to get some teachers trained for AP classes. This money can help more teachers get trained. We can write a check and give to Ms. Ulmer for this whole amount.

Charron asked about the district-wide Back to School Bash that she heard about. Ms. Ulmer: Still getting the details together but this is what she knows: Will be at the green space at the Nickel Plate area, maybe July 30<sup>th</sup> between 4-6pm Have table set up per school to hand out items and make connections. Maybe a good place to sell planners.

Karen Bush is the new Director of College and Career Counseling.

Ms. Ulmer had a staff wide scavenger hunt on April 29<sup>th</sup>. Staff really enjoyed it and made connections with other teachers. Partnership were created that day. E-learning days are important

Teachers of the Year: Greg Gastineau, Jill McGrath

End of the year celebration is the morning of the 23<sup>rd</sup>.

We have three retirees to celebrate:

Bob Stinson

Nancy Herndon

Dan Axe

Badges are made for them – “Once a Royal, Always a Royal”. The badge will get them into any event for life.

Charron: We have budgeted \$1,000 for Graduation luncheon for staff but have not heard anything yet if they are still doing this.

We swept both the Boys and Girls Track and Field County Meets.

Still working on the bell schedule. They are talking about moving Pathways to 8<sup>th</sup> period for next year. One advantage is that kids will already be here. Nervous about after school sports and clubs. Kids leaving and not coming back.

### **Concessions – Rachael Barry**

Boys track meets have made - \$560, \$719 and \$1,900 for concessions

Need to get more parents involved for next season for concessions for track.

Been a busy spring season since adding boys volleyball. Cancellations and rescheduled events has made it hard.

Four football games next year and we already have most of them covered for the fall. Hockey is doing one game. Boys/Girls Lacrosse are doing the Mudssock game. Swim Team is doing Homecoming game. TBD for the last game.

Boys Volleyball was very appreciative for the concessions.
