CLUB/TEAM SPOTLIGHT

ECO CLUB HOLIDAY LIGHTS RECYCLING

HHS will be collecting unwanted/unusable holiday lights starting December 1st until **January 14th**.

A Collection Bin is outside the Main Entrance on Olio Road. On January 14, Technology Recyclers will come pick up the lights we collect. Last year we collected over 3,500 pounds of eWaste.

Let's see how many pounds of e-waste we can prevent from filling landfills this season!

HSE German students had a busy first semester. In October, several students from German II, IIH and IIIH had projects displayed at City Hall for German American Month. German II and IIH researched places around Fishers and Hamilton County with German names, such as Ruoff, Kemp and others. Fritz from Fritz in Fishers was thrilled to see the history of his business highlighted.

On November 19th, German students, in addition to other languages and music classes, were treated to the Alpine Horns. Students learned about horns and traditional Swiss music.

German Club went to the Carmel Christmas Market on December 10th. Our bus driver was German Born, Dieter Schulze. Students got to enjoy several types of traditional food such as Schoko-kuss - a chocolate covered marshmallow on a wafer, and Raclette - a Swiss sandwich made with melted cheese that is slid off giant ½ cheese wheels onto bread. Students got to tour the German Culture hut, detailing the roots of different Christmas traditions from Germany. Additionally, students got to see parts of the Nutcracker, as well as dance the polka and the Duck dance, known locally as the Chicken dance.

Next semester looks to be just as exciting. February 12th is Staatskongress, the annual statewide German student culture/language competition. In March, we hope to take students to Index Traub, a local German Company.
