

Electronic Health Cards

Health cards for **each student** are to be completed in Skyward.

Follow these steps:

1. Log in to Skyward using your parent ID and password given to you.
 - a. If you do not know your login, contact the Guidance Office
2. Once you are logged in, click on the “Online Forms” tab on left side of screen
3. Complete each step starting with: **Student Health Information** (health card), **IPad Rental form** (if your student is renting a device), **Department of Education Work Survey** and **Hamilton County Library Digital Resource**.
4. After each step, be sure to click on the “**Complete**” button before moving on to the step. Otherwise, the information will not be saved
5. After the final step, click on “**Complete Back to School Forms**” to complete the process.

This process will need to be done on a computer or laptop/tablet.

Handheld devices **do not support** this part of Skyward.
