

Dear Hamilton Southeastern High School Parents and Guardians,

Welcome to the Hamilton Southeastern High School Royal Pride PTO, where all HSEHS families and faculty are members. The Royal Pride PTO is a not-for-profit organization established to keep the lines of communication open between home, educators and community; assist within the school where needed with the help of volunteers; raise funds for items which are not covered in the school budget and are needed by the school, teachers or staff for the benefit of the students; and to improve and aid in the educational environment of the school. We hope you'll join our efforts this year, whether your participation is with time, talent and/or treasure. There are many ways for you to be involved.

The extent and success of Royal Pride PTO programs and committees are directly impacted by your continued financial support. Once again we are offering annual tiered donation levels. Families, individuals or corporations may donate at any level and all contributors will be recognized on the school's website for their financial support.
